CUSTOM PRINTED

ONE BRAND. ONE COORDINATED LOOK.

Color matched graphics, full color printing, practical hardware, and portable formats designed to work together.

From first impression to final detail.

PRODUCTION CAPABILITIES

Premium results start behind the scenes.

Our primary production partner has operated since 2005 and supported international orders since 2015. Specialized equipment keeps custom fabric and display production consistent across large and small formats.

EST. 2005 • GLOBAL SINCE 2015

WHAT THIS SUPPORTS

- Canopies and walls
- Tension fabric displays
- Beach and custom flags
- Table covers
- Portable banners
- Specialty fabric products

01

10.5 ft (3.2 m) wide format

Large scale satin, knitted polyester, Oxford, stretch fabric, and seamless backdrops.

02

10.5 ft (3.2 m) heat transfer

Color rich fabric graphics for canopies, tension displays, flags, and soft signage.

03

Precision cutting

Computer guided cutting for fabric, leather, specialty shapes, and small format flags.

04

Direct digital

Double sided digital printing for flexible applications and specialty display graphics.

05

Color control

Multi color printing designed for repeatable output and tight visual consistency.

Own the whole space.

Turn a blank pop up tent into a complete branded destination. Add walls, half walls, flags, and accessories for a setup built around your event.

- Full color canopy top
- 1.6 in (40 mm) hex aluminum frame
- 600D Oxford fabric
- Optional walls and accessories

BRAND MORE OF THE EVENT.

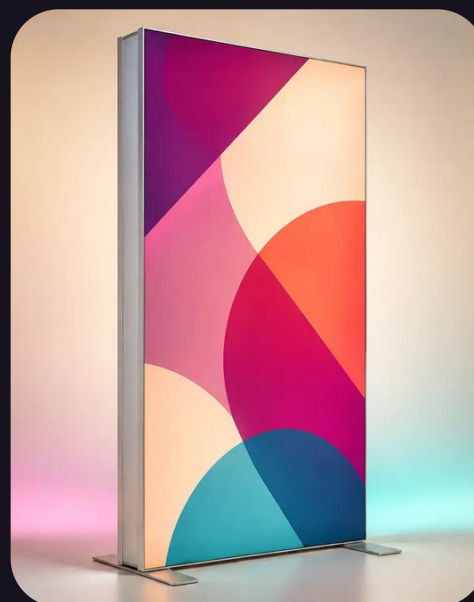

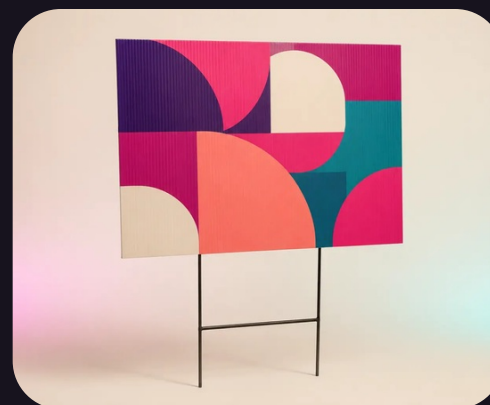

Wayfinding, crowd control, perimeter graphics, check in counters, light boxes, and quick setup walls extend the brand beyond the booth.

SIX NEW EVENT FORMATS

SELECTED FOR BOOTHBRIGHT

Portable • customizable • event focused

Final dimensions confirmed before production

Guide the crowd. Brand the boundary.

Keep the arrival, queue, sponsor line, and perimeter working as one visual system.

WAYFINDING

Custom Event Yard Signs

Corrugated plastic signs with H stakes for parking, check in, sponsors, directions, and temporary promotions.

FORMATS

18 x 24 in • 24 x 36 in

HARDWARE

Black H stake

CROWD CONTROL

Custom Barricade Covers

Front panels and fitted full sleeves turn standard steel barriers into sponsor, safety, and campaign surfaces.

STYLES

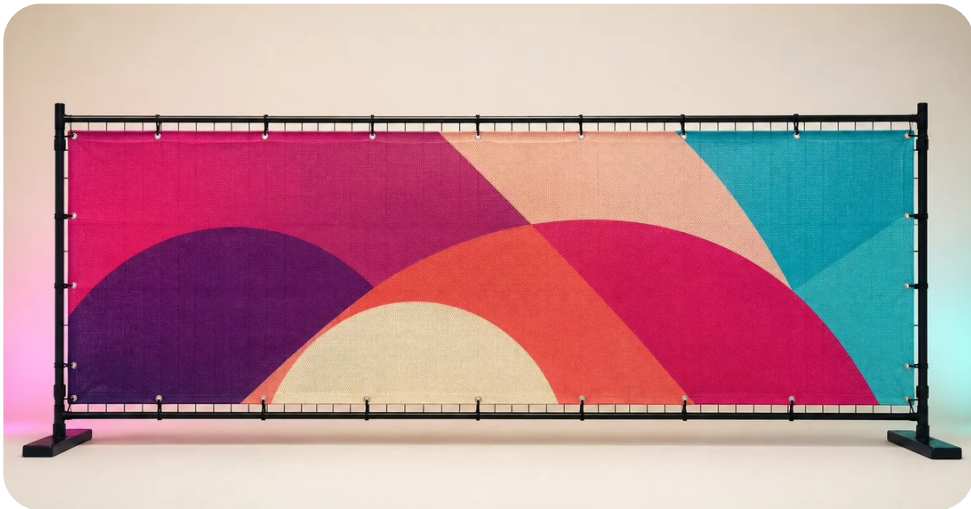

Front panel • full sleeve

FIT

Confirmed per barricade

Own more of the event footprint.

Use wind friendly fence graphics outside, then give the team a polished working surface inside the activation.

OUTDOOR AIRFLOW

Custom Mesh Fence Banners

Perforated outdoor graphics with reinforced hems and grommets for festivals, races, sports, and perimeter lines.

SIZES	8 x 3 ft • 12 x 4 ft
FINISH	Hem + grommets

CHECK IN + DEMOS

Portable Promotion Counter

A portable branded surface for sampling, registration, lead capture, product demos, and sales conversations.

STYLES	Curved fabric • hard shell
GRAPHIC	Full color front

Add light. Add structure. Pack it down.

Two portable formats create a complete aisle facing backdrop without permanent booth construction.

BACKLIT IMPACT

Portable LED Light Box

Slim aluminum SEG frames illuminate the entire fabric face evenly for convention halls and indoor launches.

SIZES

3 x 7 ft • 8 x 8 ft

LIGHTING

Integrated LED

FAST REPEAT SETUP

Pop Up Fabric Display Wall

A collapsible accordion frame keeps the fabric graphic attached for faster repeat setup in straight or curved formats.

FORMATS

8 x 8 curved • 10 x 8 straight

PACKING

Protective travel case

HOW IT WORKS

Custom made. Surprisingly simple.

Bring your goal, your logo, or your finished artwork. We help turn it into a coordinated display package made for your space.

01

CHOOSE

Select your products, sizes, and accessories.

02

SHARE

Send your logo, artwork, and brand colors.

03

APPROVE

Review the layout and confirm every detail.

04

SHINE

Your custom display is produced and prepared for delivery.

ARTWORK CHECKLIST

- ✓ Vector logo preferred
- ✓ CMYK color values if available
- ✓ Final dimensions confirmed
- ✓ High resolution linked images
