

FLAGS

Custom Bunting Flag

A pleated half circle banner for stage fronts, railings, balconies, and event tables, with custom printing and a selected attachment finish.

**WHAT YOU RECEIVE**

- One printed bunting flag
- Pleated half circle construction
- Selected header with grommets or pole sleeve

Selected options define your item. Scene props and other display products are separate.

Choose with confidence.

Choose the width to suit the railing or display area, then the attachment method. Pleats change how a flat design is seen, so use a clear central message.

WIDTH

3 ft / 4 ft / 6 ft

CUSTOM BUNTING FLAG

Ready for event day.

A practical overview. Use the instructions supplied with your exact product for locks, fittings, mounting, and any model specific procedure.

01 Measure the position

Check the display width, height, and any space needed for the intended drape or hanging arrangement.

02 Select the correct finish

Match the ordered eyelets or pole sleeve to the actual support.

03 Inspect reinforced edges

Check stitching, eyelets, and sleeves before placing the fabric under tension.

04 Attach through the intended points

Use compatible supports and avoid puncturing the printed field or relying on unreinforced fabric.

05 Keep exits open

Position decorative fabric clear of exits, walkways, heat sources, and moving equipment.

06 Dry before folding

Clean according to the supplied fabric instructions and store dry with the finished edges protected.

CUSTOM BUNTING FLAG

Get the details right.

Shape	Pleated half circle
Material	Printed polyester
Finishing	Hemmed perimeter

Artwork that fits

Allow for the way the fabric hangs. Place key content where it remains visible and clear of the confirmed sleeve or eyelet zones.

Confirm for your exact item

Exact finished shape, attachment method, drape allowance, print sides, and supplier layout.

Use the matched supplier template before preparing production files. A visual placement preview or layout reference does not establish final bleed, trim, seams, or safe areas.
